## Product Datasheet

### **HIST1H3A recombinant monoclonal antibody, clone 28H10, Clone: [28H10], Monoclonal ABN-RAB07797**

|                          |                                                                                          |
|--------------------------|------------------------------------------------------------------------------------------|
| Artikelname              | HIST1H3A recombinant monoclonal antibody, clone 28H10, Clone: [28H10], Monoclonal        |
| Artikelnummer            | ABN-RAB07797                                                                             |
| Hersteller Artikelnummer | RAB07797                                                                                 |
| Alternativnummer         | ABN-RAB07797-100                                                                         |
| Hersteller               | Abnova                                                                                   |
| Kategorie                | Antikörper                                                                               |
| Applikation              | ELISA, IF, IHC, WB                                                                       |
| Spezies Reaktivität      | Human                                                                                    |
| Immunogen                | Original antibody is raised against a synthetic peptide corresponding to human HIST1H3A. |
| Produktbeschreibung      | Rabbit recombinant monoclonal antibody raised against human and mouse HIST1H3A....       |
| Klonalität               | Monoclonal                                                                               |
| Klon-Bezeichnung         | [28H10]                                                                                  |
| UniProt                  | 8350                                                                                     |
| Puffer                   | In PBS, pH7.4 (150 mM NaCl, 0.02% sodium azide and 50% glycerol)                         |
| Formulierung             | Liquid                                                                                   |

|                        |                                                                                                                                                                 |
|------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Target-Kategorie       | HIST1H3A                                                                                                                                                        |
| Application Verdünnung | ELISAImmunohistochemistry(1:50-1:200)Immunofluorescence(1:20-1:200)Western Blot(1:500-1:2000)The optimal working dilution should be determined by the end user. |
