## Product Datasheet

### Rabbit anti-IKK alpha (pT23) Antibody, Polyclonal DLD-DL90234A

|                          |                                                                                                                                          |
|--------------------------|------------------------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | Rabbit anti-IKK alpha (pT23) Antibody, Polyclonal                                                                                        |
| Artikelnummer            | DLD-DL90234A                                                                                                                             |
| Hersteller Artikelnummer | DL90234A                                                                                                                                 |
| Alternativnummer         | DLD-DL90234A-100,DLD-DL90234A-50                                                                                                         |
| Hersteller               | DLDEVELOP                                                                                                                                |
| Wirt                     | Rabbit                                                                                                                                   |
| Kategorie                | Antikörper                                                                                                                               |
| Applikation              | IHC, WB                                                                                                                                  |
| Spezies Reaktivität      | Human                                                                                                                                    |
| Immunogen                | KLH-conjugated synthetic peptide encompassing a sequence within the N-term region of human IKK alpha. The exact sequence is proprietary. |
| Klonalität               | Polyclonal                                                                                                                               |
| Konzentration            | 1mg/mL                                                                                                                                   |
| NCBI                     | <a href="#">1147</a>                                                                                                                     |
| UniProt                  | <a href="#">O15111</a>                                                                                                                   |
| Puffer                   | Liquid in 0.42% Potassium phosphate, 0.87% Sodium chloride, pH 7.3, 30% glycerol, and 0.01% sodium azide.                                |
| Reinheit                 | The antibody was purified by immunogen affinity chromatography.                                                                          |

|                        |                                         |
|------------------------|-----------------------------------------|
| Application Verdünnung | WB (1/500 - 1/1000), IH (1/100 - 1/200) |
|------------------------|-----------------------------------------|
