### CSF1 (Human) Recombinant Protein ABN-P10205

|                          |                                                                                                                              |
|--------------------------|------------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | CSF1 (Human) Recombinant Protein                                                                                             |
| Artikelnummer            | ABN-P10205                                                                                                                   |
| Hersteller Artikelnummer | P10205                                                                                                                       |
| Alternativnummer         | ABN-P10205-100                                                                                                               |
| Hersteller               | Abnova                                                                                                                       |
| Wirt                     | Human                                                                                                                        |
| Kategorie                | Proteine/Peptide                                                                                                             |
| Applikation              | ELISA, FA, SBR                                                                                                               |
| Spezies Reaktivität      | Human                                                                                                                        |
| Produktbeschreibung      | Human CSF1 (P09603-1, Glu33-Asn190) partial recombinant protein with His-Avi tag at C-terminus expressed in HEK293 cells.... |
| Tag                      | His-Avi                                                                                                                      |
| UniProt                  | 1435                                                                                                                         |
| Puffer                   | Lyophilized from filtered solution in PBS, pH 7.4 (5% trehalose).                                                            |
| Reinheit                 | >=95% as determined by Tris-Bis PAGE, >=95% as determined by HPLC                                                            |
| Formulierung             | Lyophilized                                                                                                                  |
| Sequenz                  | Glu33-Asn190                                                                                                                 |
| Target-Kategorie         | CSF1                                                                                                                         |

Application Verdünnung

Biological Activity ELISA SEC-HPLC SPR Tris-Bis PAGE  
The optimal working dilution should be determined by the end user.
