### IGFBP7 (Human) Recombinant Protein ABN-P10253

|                          |                                                                                                                          |
|--------------------------|--------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | IGFBP7 (Human) Recombinant Protein                                                                                       |
| Artikelnummer            | ABN-P10253                                                                                                               |
| Hersteller Artikelnummer | P10253                                                                                                                   |
| Alternativnummer         | ABN-P10253-100                                                                                                           |
| Hersteller               | Abnova                                                                                                                   |
| Wirt                     | Human                                                                                                                    |
| Kategorie                | Proteine/Peptide                                                                                                         |
| Applikation              | ELISA, FA                                                                                                                |
| Spezies Reaktivität      | Human                                                                                                                    |
| Produktbeschreibung      | Human IGFBP7 (Q16270, Ser27-Leu282) partial recombinant protein with His tag at N-terminus expressed in HEK293 cells.... |
| Tag                      | His                                                                                                                      |
| UniProt                  | 3490                                                                                                                     |
| Puffer                   | Lyophilized from filtered solution in PBS, pH 7.4 (5% trehalose).                                                        |
| Reinheit                 | >=95% as determined by Tris-Bis PAGE, >=95% as determined by HPLC                                                        |
| Formulierung             | Lyophilized                                                                                                              |
| Sequenz                  | Ser27-Leu282                                                                                                             |
| Target-Kategorie         | IGFBP7                                                                                                                   |

Application Verdünnung

Biological ActivityELISATris-Bis PAGEThe optimal working dilution should be determined by the end user.
