| Hersteller               | Abnova                                                                                                                |
| Wirt                     | Human                                                                                                                 |
| Kategorie                | Proteine/Peptide                                                                                                      |
| Applikation              | ELISA, FA, SBR                                                                                                        |
| Spezies Reaktivität      | Human                                                                                                                 |
| Produktbeschreibung      | Human CD2 (P06729, Lys25-Asp209) partial recombinant protein with His tag at C-terminus expressed in HEK293 cells.... |
| Tag                      | His                                                                                                                   |
| UniProt                  | 914                                                                                                                   |
| Puffer                   | Lyophilized from filtered solution in PBS, pH 7.4 (5% trehalose).                                                     |
| Reinheit                 | >=95% as determined by Tris-Bis PAGE, >=95% as determined by SEC-HPLC                                                 |
| Formulierung             | Lyophilized                                                                                                           |
| Sequenz                  | Lys25-Asp209                                                                                                          |
| Target-Kategorie         | CD2                                                                                                                   |

|                        |                                                                                                                     |
