| Hersteller               | Biotium                                                                                                                                                                                                                                                       |
| Wirt                     | Mouse                                                                                                                                                                                                                                                         |
| Kategorie                | Antikörper                                                                                                                                                                                                                                                    |
| Applikation              | IHC                                                                                                                                                                                                                                                           |
| Spezies Reaktivität      | Human                                                                                                                                                                                                                                                         |
| Immunogen                | Recombinant fragment (around aa 228-368) of human MCM6 protein (exact sequence is proprietary)                                                                                                                                                                |
| Konjugation              | CF647                                                                                                                                                                                                                                                         |
| Produktbeschreibung      | The mini-chromosome maintenance (MCM) family of proteins, including MCM2, MCM3, MCM6 (Cdc21), MCM5 (Cdc46), MCM6 (Mis5) and MCM7 (Cdc47), are regulators of DNA replication that act to ensure replication occurs only once in the cell cycle. Expression ... |
| Klonalität               | Monoclonal                                                                                                                                                                                                                                                    |
| Konzentration            | 0.1 mg/mL                                                                                                                                                                                                                                                     |

|                  |                            |
|------------------|----------------------------|
| Klon-Bezeichnung | [MCM6/3000]                |
| Molekulargewicht | 105 kDa                    |
| UniProt          | <a href="#">Q14566</a>     |
| Puffer           | PBS, 0.1% BSA, 0.05% azide |
| Quelle           | Animal                     |
