| Immunogen                | Recombinant human CALD1 protein fragment                                                                                                                                                                                                                      |
| Produktbeschreibung      | Caldesmon HMW is the high molecular weight variant of Caldesmon. Two closely related variants of human caldesmon have been identified which are different in their electrophoretic mobility and cellular distribution. The h-caldesmon variant (120150 kDa... |
| Konzentration            | 0.2 mg/mL                                                                                                                                                                                                                                                     |
