| Wirt                     | Mouse                                                                                                                                                                                                                                                         |
| Kategorie                | Antikörper                                                                                                                                                                                                                                                    |
| Applikation              | Exosome Detection, WB                                                                                                                                                                                                                                         |
| Spezies Reaktivität      | Human, Primate                                                                                                                                                                                                                                                |
| Konjugation              | ExoBrite(TM) 680/700                                                                                                                                                                                                                                          |
| Produktbeschreibung      | ExoBrite(TM) CD63 Western Antibody is optimized for detection of the exosome marker CD63 in isolated EV extracts by near-IR (NIR) fluorescent WB. ExoBrite(TM) Western 680/700 conjugates have Ex/Em at 681/698 nm for detection in the 700 nm channel. Su... |
| Konzentration            | 100 ug/mL                                                                                                                                                                                                                                                     |
| Molekulargewicht         | 26 kDa (core protein), 30-60 kDa (glycosylated)                                                                                                                                                                                                               |
| UniProt                  | <a href="#">P08962</a>                                                                                                                                                                                                                                        |
| Puffer                   | Proprietary buffer containing 0.05% sodium azide                                                                                                                                                                                                              |
| Quelle                   | Animal                                                                                                                                                                                                                                                        |

|                        |                                                                                                                       |
|------------------------|-----------------------------------------------------------------------------------------------------------------------|
| Anwendungsbeschreibung | Recommended amount for western blot: 100 ng/mL = 1:1000 dilution  Optimal concentration to be determined by end-user. |
