| Immunogen                | Synthesized peptide derived from human XRCC4 (Phospho-Ser260)                                                                                                                                                                                                |
| Produktbeschreibung      | The protein encoded by this gene functions together with DNA ligase IV and the DNA-dependent protein kinase in the repair of DNA double-strand breaks. This protein plays a role in both non-homologous end joining and the completion of V(D)J recombina... |
| Klonalität               | Polyclonal                                                                                                                                                                                                                                                   |
| UniProt                  | <a href="#">Q13426</a>                                                                                                                                                                                                                                       |
| Quelle                   | Polyclonal, Rabbit IgG                                                                                                                                                                                                                                       |
| Reinheit                 | The antibody was affinity-purified from rabbit serum by affinity-chromatography using specific immunogen.                                                                                                                                                    |

|                        |                                                                         |
|------------------------|-------------------------------------------------------------------------|
| Formulierung           | Liquid in PBS containing 50% glycerol, 0.5% BSA and 0.02% sodium azide. |
| Application Verdünnung | WB 1:500-2000                                                           |
