| Alternativnummer         | AST-C15789-50,AST-C15789-100                                                                                          |
| Hersteller               | Assay Biotechnology                                                                                                   |
| Wirt                     | Rabbit                                                                                                                |
| Kategorie                | Antikörper                                                                                                            |
| Applikation              | ELISA, IF, IHC                                                                                                        |
| Spezies Reaktivität      | Human, Mouse                                                                                                          |
| Immunogen                | The antiserum was produced against synthesized peptide derived from human FOXJ3. AA range:191-240                     |
| Produktbeschreibung      | similarity:Contains 1 fork-head DNA-binding domain.,...                                                               |
| Klonalität               | Polyclonal                                                                                                            |
| UniProt                  | <a href="#">Q9UPW0</a>                                                                                                |
| Quelle                   | Polyclonal, Rabbit IgG                                                                                                |
| Reinheit                 | The antibody was affinity-purified from rabbit antiserum by affinity-chromatography using epitope-specific immunogen. |
| Formulierung             | Liquid in PBS containing 50% glycerol, 0.5% BSA and 0.02% sodium azide.                                               |

|                        |                                                 |
|------------------------|-------------------------------------------------|
| Application Verdünnung | IHC 1:100 - 1:300. ELISA: 1:20000.. IF 1:50-200 |
