## Product Datasheet

### FAM80A Antibody, Rabbit, Polyclonal AST-C18431

|                          |                                                                                                                                    |
|--------------------------|------------------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | FAM80A Antibody, Rabbit, Polyclonal                                                                                                |
| Artikelnummer            | AST-C18431                                                                                                                         |
| Hersteller Artikelnummer | C18431                                                                                                                             |
| Alternativnummer         | AST-C18431-50,AST-C18431-100                                                                                                       |
| Hersteller               | Assay Biotechnology                                                                                                                |
| Wirt                     | Rabbit                                                                                                                             |
| Kategorie                | Antikörper                                                                                                                         |
| Applikation              | ELISA, WB                                                                                                                          |
| Spezies Reaktivität      | Human, Monkey, Mouse                                                                                                               |
| Immunogen                | The antiserum was produced against synthesized peptide derived from human RIMKA. AA range:112-161                                  |
| Produktbeschreibung      | cofactor: Binds 2 manganese ions per subunit.,similarity: Belongs to the rimK family.,similarity: Contains 1 ATP-grasp domain.,... |
| Klonalität               | Polyclonal                                                                                                                         |
| UniProt                  | <a href="#">Q8IXN7</a>                                                                                                             |
| Quelle                   | Polyclonal, Rabbit IgG                                                                                                             |
| Reinheit                 | The antibody was affinity-purified from rabbit antiserum by affinity-chromatography using epitope-specific immunogen.              |

|                        |                                                                          |
|------------------------|--------------------------------------------------------------------------|
| Formulierung           | Liquid in PBS containing 50% glycerol, 0.5% BSA and 0.02% sodium azide.  |
| Application Verdünnung | WB 1:500 - 1:2000. ELISA: 1:20000. Not yet tested in other applications. |
