## Product Datasheet

**Anti-Oligomeric alpha-syn [10H (syn-10H)], scFv fragment (His), ScFv,,  
Clone: [10H syn-10H], Monoclonal  
ABA-AB04614-30.11-BT**

|                          |                                                                                                                                                                                                                        |

| Hersteller               | Absolute Antibody                                                                                                                                                                                                      |
| Kategorie                | Antikörper                                                                                                                                                                                                             |
| Applikation              | ELISA, FA, WB                                                                                                                                                                                                          |
| Spezies Reaktivität      | Human                                                                                                                                                                                                                  |
| Produktbeschreibung      | The original antibody was isolated from a human Tomlinson I and J scFv antibody libraries by panning the library against diluted sample of alpha-synuclein (20 uM) containing predominantly larger aggregate forms.... |
| Klonalität               | Monoclonal                                                                                                                                                                                                             |
| Klon-Bezeichnung         | [10H syn-10H]                                                                                                                                                                                                          |
| UniProt                  | <a href="#">P37840</a>                                                                                                                                                                                                 |
| Puffer                   | PBS only.                                                                                                                                                                                                              |
| Target-Kategorie         | Oligomeric alpha-syn                                                                                                                                                                                                   |
