### Anti-CHGA ATA-AMAB90525

|                          |                                                                    |
|--------------------------|--------------------------------------------------------------------|
| Artikelname              | Anti-CHGA                                                          |
| Artikelnummer            | ATA-AMAB90525                                                      |
| Hersteller Artikelnummer | AMAb90525                                                          |
| Alternativnummer         | ATA-AMAB90525-100,ATA-AMAB90525-25                                 |
| Hersteller               | Atlas Antibodies                                                   |
| Wirt                     | Mouse                                                              |
| Kategorie                | Antikörper                                                         |
| Applikation              | ICC, IHC, WB                                                       |
| Spezies Reaktivität      | Human                                                              |
| Immunogen                | Recombinant Protein Epitope Signature Tag (PrEST) antigen sequence |
| Konjugation              | Unconjugated                                                       |
| Produktbeschreibung      | chromogranin A (parathyroid secretory protein 1)...                |
| Klonalität               | Monoclonal                                                         |
| Konzentration            | 1                                                                  |
| Klon-Bezeichnung         | [CL0166]                                                           |
| Isotyp                   | IgG1                                                               |
| NCBI                     | <a href="#">1113</a>                                               |

|                        |                                                                                                                                                      |
|------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------|
| UniProt                | <a href="#">P10645</a>                                                                                                                               |
| Puffer                 | 40% glycerol and PBS (pH 7.2). 0.02% sodium azide is added as preservative.                                                                          |
| Reinheit               | Protein A purified                                                                                                                                   |
