### Anti-LRRC1 ATA-HPA031603

|                          |                                                                    |
|--------------------------|--------------------------------------------------------------------|
| Artikelname              | Anti-LRRC1                                                         |
| Artikelnummer            | ATA-HPA031603                                                      |
| Hersteller Artikelnummer | HPA031603                                                          |
| Alternativnummer         | ATA-HPA031603-100                                                  |
| Hersteller               | Atlas Antibodies                                                   |
| Wirt                     | Rabbit                                                             |
| Kategorie                | Antikörper                                                         |
| Applikation              | IHC, WB                                                            |
| Spezies Reaktivität      | Human, Rat                                                         |
| Immunogen                | Recombinant Protein Epitope Signature Tag (PrEST) antigen sequence |
| Konjugation              | Unconjugated                                                       |
| Produktbeschreibung      | leucine rich repeat containing 1...                                |
| Klonalität               | Polyclonal                                                         |
| Konzentration            | 0.05 mg/ml                                                         |
| Isotyp                   | IgG                                                                |
| NCBI                     | <a href="#">55227</a>                                              |
| UniProt                  | <a href="#">Q9BTT6</a>                                             |

|                        |                                                                                  |
|------------------------|----------------------------------------------------------------------------------|
| Puffer                 | 40% glycerol and PBS (pH 7.2). 0.02% sodium azide is added as preservative.      |
| Reinheit               | Affinity purified using the PrEST antigen as affinity ligand                     |
| Sequenz                | NERAVNRVSAIRFVEDEKDEEDNETRTLRLRRATPHPGELKHMKKTVENLRND<br>MNAAKGLDSNKNEVNHAIDRVTT |
| Lagerung               | Store at +4°C for short term storage. Long time storage is recommended at -20°C. |
| Target-Kategorie       | LRRC1                                                                            |
| Antibody Type          | Monoclonal Antibody                                                              |
| Application Verdünnung | IHC: 1:50 - 1:200, WB: 0.04-0.4 µg/ml                                            |
