| Artikelname              | Anti-HLA-DR Antibody, Unconjugated, Rabbit, Polyclonal                                                               |
| Artikelnummer            | ABC-A80638-100                                                                                                       |
| Hersteller Artikelnummer | A80638-100                                                                                                           |
| Alternativnummer         | ABC-A80638-100                                                                                                       |
| Hersteller               | Antibodies.com                                                                                                       |
| Wirt                     | Rabbit                                                                                                               |
| Kategorie                | Antikörper                                                                                                           |
| Applikation              | IHC, WB                                                                                                              |
| Spezies Reaktivität      | Human, Rat                                                                                                           |
| Immunogen                | Recombinant fusion protein containing a sequence corresponding to amino acids 26-216 of human HLA-DRA (NP_061984.2). |
| Konjugation              | Unconjugated                                                                                                         |
| Produktbeschreibung      | Rabbit polyclonal antibody to HLA-DR....                                                                             |
| Klonalität               | Polyclonal                                                                                                           |
| Konzentration            | Lot Specific                                                                                                         |
| Molekulargewicht         | 36 kDa                                                                                                               |
| Puffer                   | Supplied in Phosphate Buffered Saline, pH 7.3, with 50% Glycerol and 0.01% Thiomersal.                               |
| Formulierung             | Liquid                                                                                                               |

|                        |                                                                                                                                                                                                              |
