## Product Datasheet

### Anti-Nuclear Receptor Corepressor NCoR Antibody, Unconjugated, Rabbit, Polyclonal ABC-A10050-100

|                          |                                                                                                                   |
|--------------------------|-------------------------------------------------------------------------------------------------------------------|
| Artikelname              | Anti-Nuclear Receptor Corepressor NCoR Antibody, Unconjugated, Rabbit, Polyclonal                                 |
| Artikelnummer            | ABC-A10050-100                                                                                                    |
| Hersteller Artikelnummer | A10050-100                                                                                                        |
| Alternativnummer         | ABC-A10050-100                                                                                                    |
| Hersteller               | Antibodies.com                                                                                                    |
| Wirt                     | Rabbit                                                                                                            |
| Kategorie                | Antikörper                                                                                                        |
| Applikation              | ICC, IHC, WB                                                                                                      |
| Spezies Reaktivität      | Human, Mouse, Rat                                                                                                 |
| Immunogen                | Recombinant fusion protein containing a sequence corresponding to amino acids 1-200 of human NCOR1 (NP_006302.2). |
| Konjugation              | Unconjugated                                                                                                      |
| Produktbeschreibung      | Rabbit polyclonal antibody to Nuclear Receptor Corepressor NCoR....                                               |
| Klonalität               | Polyclonal                                                                                                        |
| Konzentration            | Lot Specific                                                                                                      |
| Molekulargewicht         | 270 kDa                                                                                                           |

|                        |                                                                                                                                                                                                                     |
|------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Puffer                 | Supplied in Phosphate Buffered Saline, pH 7.3, with 50% Glycerol and 0.02% Sodium Azide.                                                                                                                            |
| Formulierung           | Liquid                                                                                                                                                                                                              |
