## Product Datasheet

### **Biotin Anti-alpha-Tubulin rabbit monoclonal antibody [RM113], Rabbit, Monoclonal RMB-31-1016-02**

|                          |                                                                                  |
|--------------------------|----------------------------------------------------------------------------------|
| Artikelname              | Biotin Anti-alpha-Tubulin rabbit monoclonal antibody [RM113], Rabbit, Monoclonal |
| Artikelnummer            | RMB-31-1016-02                                                                   |
| Hersteller Artikelnummer | 31-1016-02                                                                       |
| Alternativnummer         | RMB-31-1016-02-50                                                                |
| Hersteller               | RevMAb                                                                           |
| Wirt                     | Rabbit                                                                           |
| Kategorie                | Antikörper                                                                       |
| Applikation              | ChIP, ICC, IHC, IP, WB                                                           |
| Immunogen                | A peptide corresponding to the C-terminus of alpha-Tubulin                       |
| Konjugation              | Biotin                                                                           |
| Produktbeschreibung      | Biotinylated Rabbit monoclonal to alpha-Tubulin (alpha-Tubulin)...               |
| Klonalität               | Monoclonal                                                                       |
| Klon-Bezeichnung         | [RM113]                                                                          |
| NCBI                     | <a href="#">10376</a>                                                            |
| UniProt                  | <a href="#">P68363</a>                                                           |
| Puffer                   | 50% Glycerol/PBS with 1% BSA and 0.09% sodium azide                              |

|                        |                                                                                                                                                                                                           |
|------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Reinheit               | Protein A affinity purified from an animal origin-free culture supernatant                                                                                                                                |
| Application Verdünnung | Western Blot (WB): 1:1000 dilution, Immunoprecipitation (IP): 1:200 dilution, Chromatin IP (ChIP): 1:200 dilution, Immunocytochemistry (ICC): 1:200 dilution, Immunohistochemistry (IHC): 1:200 dilution. |
