## Product Datasheet

### **Anti-Acetyl-Histone H3 (Lys79) rabbit monoclonal antibody [RM156], Rabbit, Monoclonal RMB-31-1052-00**

|                          |                                                                                       |
|--------------------------|---------------------------------------------------------------------------------------|
| Artikelname              | Anti-Acetyl-Histone H3 (Lys79) rabbit monoclonal antibody [RM156], Rabbit, Monoclonal |
| Artikelnummer            | RMB-31-1052-00                                                                        |
| Hersteller Artikelnummer | 31-1052-00                                                                            |
| Alternativnummer         | RMB-31-1052-00-100                                                                    |
| Hersteller               | RevMAb                                                                                |
| Wirt                     | Rabbit                                                                                |
| Kategorie                | Antikörper                                                                            |
| Applikation              | ChIP, ELISA, ICC, WB, xMAP                                                            |
| Immunogen                | An acetyl-peptide corresponding to the Acetyl-Histone H3 (Lys79).                     |
| Produktbeschreibung      | Rabbit monoclonal to Acetylated Histone H3 Lysine 79 (K79ac)...                       |
| Klonalität               | Monoclonal                                                                            |
| Konzentration            | 1 mg/mL                                                                               |
| Klon-Bezeichnung         | [RM156]                                                                               |
| NCBI                     | <a href="#">8350</a>                                                                  |
| UniProt                  | <a href="#">P84243</a>                                                                |
| Puffer                   | 50% Glycerol/PBS with 1% BSA and 0.09% sodium azide                                   |

|                        |                                                                                                                                          |
|------------------------|------------------------------------------------------------------------------------------------------------------------------------------|
| Reinheit               | Protein A affinity purified from an animal origin-free culture supernatant                                                               |
| Application Verdünnung | WB: 0.5 ug/mL - 2 ug/mL, ICC: 0.5 ug/mL - 2 ug/mL, ChIP: 2 ug/mL- 10 ug/mL, ELISA: 0.2 ug/mL - 1 ug/mL, Luminex: 0.05 ug/mL - 0.2 ug/mL. |
