| Kategorie                | Proteine/Peptide                                                                                                                                                                                                  |
| Applikation              | ELISA                                                                                                                                                                                                             |
| Spezies Reaktivität      | Rat                                                                                                                                                                                                               |
| Molekulargewicht         | calculated_mw: 31.6 kDa. observed_mw: 40-42 kDa                                                                                                                                                                   |
| Tag                      | C-His                                                                                                                                                                                                             |
| NCBI                     | <a href="#">001094306</a>                                                                                                                                                                                         |
| Expression System        | HEK293 Cells                                                                                                                                                                                                      |
| Reinheit                 | > 95 % as determined by reducing SDS-PAGE.                                                                                                                                                                        |
| Formulierung             | Lyophilized from sterile PBS, pH 7.4Normally 5% - 8% trehalose, mannitol and 0.01% Tween 80 are added as protectants before lyophilization.Please refer to the specific buffer information in the printed manual. |
| Sequenz                  | Met 1-Pro 285                                                                                                                                                                                                     |
