## Product Datasheet

### **4E Binding Protein 1 Antibody Kit (Protein Synthesis Initiation Factor 4E Binding Protein, eIF-4EBP1, PHAS-1, PHAS-I, Eukaryotic Translation Initiation Factor BP), Polyclonal MBS611688-6X0.02**

|                          |                                                                                                                                                                                |

| Artikelname              | 4E Binding Protein 1 Antibody Kit (Protein Synthesis Initiation Factor 4E Binding Protein, eIF-4EBP1, PHAS-1, PHAS-I, Eukaryotic Translation Initiation Factor BP), Polyclonal |
| Artikelnummer            | MBS611688-6X0.02                                                                                                                                                               |
| Hersteller Artikelnummer | MBS611688-6x0.02                                                                                                                                                               |
| Alternativnummer         | MBS611688-6X0.02                                                                                                                                                               |
| Hersteller               | MyBiosource                                                                                                                                                                    |
| Kategorie                | Antikörper                                                                                                                                                                     |
| Klonalität               | Polyclonal                                                                                                                                                                     |
| Reinheit                 | Affinity PurifiedPurified by Protein A and peptide affinity chromatography.                                                                                                    |
| Formulierung             | Supplied as a liquid in 10 mM sodium HEPES (pH 7.5), 150 mM NaCl, 100ug/ml BSA and 50% glycerol.                                                                               |
