| Artikelname              | TIAM2 (T-lymphoma Invasion and Metastasis-inducing Protein 2, TIAM-2, KIAA2016, SIF and TIAM1-like Exchange Factor, STEF) APC, Clone: [3C1], Mouse, Monoclonal |
| Artikelnummer            | MBS6139503-0.1                                                                                                                                                 |
| Hersteller Artikelnummer | MBS6139503-0.1                                                                                                                                                 |
| Alternativnummer         | MBS6139503-0.1                                                                                                                                                 |
| Hersteller               | MyBiosource                                                                                                                                                    |
| Wirt                     | Mouse                                                                                                                                                          |
| Kategorie                | Antikörper                                                                                                                                                     |
| Klonalität               | Monoclonal                                                                                                                                                     |
| Klon-Bezeichnung         | [3C1]                                                                                                                                                          |
| Reinheit                 | Purified by Protein A Affinity Chromatography.                                                                                                                 |
| Formulierung             | Supplied as a liquid in PBS, pH 7.2. No preservative added. Labeled with Allophycocyanin (APC).                                                                |
