## Product Datasheet

### Anti-ZnT6 Antibody, Unconjugated, Rabbit, Polyclonal ABC-A80627-100

|                          |                                                                                        |
|--------------------------|----------------------------------------------------------------------------------------|
| Artikelname              | Anti-ZnT6 Antibody, Unconjugated, Rabbit, Polyclonal                                   |
| Artikelnummer            | ABC-A80627-100                                                                         |
| Hersteller Artikelnummer | A80627-100                                                                             |
| Alternativnummer         | ABC-A80627-100                                                                         |
| Hersteller               | Antibodies.com                                                                         |
| Wirt                     | Rabbit                                                                                 |
| Kategorie                | Antikörper                                                                             |
| Applikation              | ELISA, WB                                                                              |
| Spezies Reaktivität      | Human, Mouse, Rat                                                                      |
| Immunogen                | A recombinant fusion protein corresponding to amino acids 252-461 of human ZnT6.       |
| Konjugation              | Unconjugated                                                                           |
| Produktbeschreibung      | Rabbit polyclonal antibody to ZnT6....                                                 |
| Klonalität               | Polyclonal                                                                             |
| Konzentration            | Lot Specific                                                                           |
| Molekulargewicht         | 51 kDa                                                                                 |
| Puffer                   | Supplied in Phosphate Buffered Saline, pH 7.3, with 50% Glycerol and 0.01% Thiomersal. |
| Formulierung             | Liquid                                                                                 |

|                        |                                                                                                                                                                                                                                  |
