| Artikelnummer            | NBS-ABB-08ATFU-100                                                                                                                                                                 |
| Hersteller Artikelnummer | ABB-08ATFU-100                                                                                                                                                                     |
| Alternativnummer         | NBS-ABB-08ATFU-100                                                                                                                                                                 |
| Hersteller               | Nordic BioSite                                                                                                                                                                     |
| Wirt                     | Mouse                                                                                                                                                                              |
| Kategorie                | Antikörper                                                                                                                                                                         |
| Applikation              | FC                                                                                                                                                                                 |
| Spezies Reaktivität      | Human                                                                                                                                                                              |
| Immunogen                | Recombinant human glycophorin A protein                                                                                                                                            |
| Konjugation              | Unconjugated                                                                                                                                                                       |
| Produktbeschreibung      | Anti-human CD235a GYPA Monoclonal Antibody, GYPA Monoclonal Antibody Unconjugated, Flow Validated (). Tested in Flow Cytometry application(s). This antibody reacts with Human.... |
| Klonalität               | Monoclonal                                                                                                                                                                         |
| Konzentration            | 0.5-1 mg/ml                                                                                                                                                                        |
| Klon-Bezeichnung         | [GYPA280]                                                                                                                                                                          |

|                  |                        |
|------------------|------------------------|
| Molekulargewicht | 16331 MW               |
| Sensitivitaet    | 0.5 ug per sample      |
| NCBI             | <a href="#">2993</a>   |
| UniProt          | <a href="#">P02724</a> |
| Puffer           | PBS, pH7.2, 0.09% NaN3 |
| Formulierung     | Liquid                 |
| Target-Kategorie | GYPA                   |
| Antibody Type    | Primary Antibody       |
