## Product Datasheet

### **anti-Listeria monocytogenes Antibody (Mouse - Clone 2B5) - Monoclonal, IgG1** **ICL-MLSTA-55A-2B5**

|                          |                                                                                                                                                    |
|--------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | anti-Listeria monocytogenes Antibody (Mouse - Clone 2B5) - Monoclonal, IgG1                                                                        |
| Artikelnummer            | ICL-MLSTA-55A-2B5                                                                                                                                  |
| Hersteller Artikelnummer | MLSTA-55A-2B5                                                                                                                                      |
| Alternativnummer         | ICL-MLSTA-55A-2B5-1                                                                                                                                |
| Hersteller               | ICL                                                                                                                                                |
| Wirt                     | Mouse                                                                                                                                              |
| Kategorie                | Antikörper                                                                                                                                         |
| Applikation              | ELISA, IF                                                                                                                                          |
| Produktbeschreibung      | High-specificity detection of Listeria monocytogenes with this monoclonal antibody, Clone 2B5. Essential for food safety and pathogen research.... |
| Klonalität               | Monoclonal                                                                                                                                         |
| Isotyp                   | IgG1                                                                                                                                               |
| Puffer                   | Phosphate buffered saline (PBS), pH 7.2                                                                                                            |
| Reinheit                 | Purified Protein                                                                                                                                   |
| Formulierung             | Liquid                                                                                                                                             |
| Target-Kategorie         | Listeria monocytogenes                                                                                                                             |

| Antibody Type | Primary Antibody |
