## Product Datasheet

### **anti-SFTS Virus Antibody (Mouse - Clone 3G6) - Monoclonal, IgG2b ICL-MSFTS-55A-3G6**

|                          |                                                                                                                                     |
|--------------------------|-------------------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | anti-SFTS Virus Antibody (Mouse - Clone 3G6) - Monoclonal, IgG2b                                                                    |
| Artikelnummer            | ICL-MSFTS-55A-3G6                                                                                                                   |
| Hersteller Artikelnummer | MSFTS-55A-3G6                                                                                                                       |
| Alternativnummer         | ICL-MSFTS-55A-3G6-1                                                                                                                 |
| Hersteller               | ICL                                                                                                                                 |
| Wirt                     | Mouse                                                                                                                               |
| Kategorie                | Antikörper                                                                                                                          |
| Applikation              | ELISA                                                                                                                               |
| Konjugation              | Unconjugated                                                                                                                        |
| Produktbeschreibung      | High-specificity detection of SFTS virus with this monoclonal antibody, Clone 3G6. Ideal for clinical and research applications.... |
| Klonalität               | Monoclonal                                                                                                                          |
| Isotyp                   | IgG2b                                                                                                                               |
| Puffer                   | Phosphate buffered saline (PBS)                                                                                                     |
| Reinheit                 | Purified Protein                                                                                                                    |
| Formulierung             | Liquid                                                                                                                              |
| Proben                   | Control                                                                                                                             |
| Target-Kategorie         | Severe fever with thrombocytopenia syndrome                                                                                         |
