| Hersteller               | Abcepta                                                                                                                                                                      |
| Wirt                     | Rabbit                                                                                                                                                                       |
| Kategorie                | Antikörper                                                                                                                                                                   |
| Applikation              | WB                                                                                                                                                                           |
| Spezies Reaktivität      | Human, Mouse                                                                                                                                                                 |
| Klonalität               | Polyclonal                                                                                                                                                                   |
| Klon-Bezeichnung         | [RB49364]                                                                                                                                                                    |
| Molekulargewicht         | 28436                                                                                                                                                                        |
| NCBI                     | <a href="#">128861</a>                                                                                                                                                       |
| UniProt                  | <a href="#">Q9BQP9</a>                                                                                                                                                       |
| Formulierung             | Purified polyclonal antibody supplied in PBS with 0.09% (W/V) sodium azide. This antibody is purified through a protein A column, followed by peptide affinity purification. |

|                  |                                                                                                                                                                        |
|------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Target-Kategorie | This BPIFA3 antibody is generated from a rabbit immunized with a KLH conjugated synthetic peptide between 150-185 amino acids from the Central region of human BPIFA3. |
