| Wirt                     | Rat                                                                                                                                                                                                                                                           |
| Kategorie                | Antikörper                                                                                                                                                                                                                                                    |
| Applikation              | FC                                                                                                                                                                                                                                                            |
| Spezies Reaktivität      | Mouse                                                                                                                                                                                                                                                         |
| Immunogen                | Recombinant protein (or fragment). This information is considered to be commercially sensitive.                                                                                                                                                               |
| Konjugation              | APC/Cy7                                                                                                                                                                                                                                                       |
| Produktbeschreibung      | Enables several functions, including heparan sulfate proteoglycan binding activity, heparin binding activity, and protein tyrosine phosphatase activity. Involved in several processes, including lymphocyte differentiation, positive regulation of macro... |
| Klonalität               | Monoclonal                                                                                                                                                                                                                                                    |
| Konzentration            | FC                                                                                                                                                                                                                                                            |
| Molekulargewicht         | 130kDa/140kDa/144kDa                                                                                                                                                                                                                                          |

|                        |                                                                                                   |
|------------------------|---------------------------------------------------------------------------------------------------|
| NCBI                   | <a href="#">19264</a>                                                                             |
| UniProt                | <a href="#">P06800</a>                                                                            |
| Reinheit               | Affinity purification                                                                             |
| Target-Kategorie       | PTPRC                                                                                             |
| Application Verdünnung | FC,0.125 µg per million cells in 100 µl volume                                                    |
| Anwendungsbeschreibung | Cross-Reactivity: Mouse. ResearchArea: Immunology,Adaptive Immunity,B Cells,CD. Shipping: Ice Bag |
