## Product Datasheet

### **RecombiMAb anti-mouse ICOSL (CD275) (D265A), Clone: [HK5.3-CP044], Mouse, Monoclonal BXC-CP044**

|                          |                                                                                      |
|--------------------------|--------------------------------------------------------------------------------------|
| Artikelname              | RecombiMAb anti-mouse ICOSL (CD275) (D265A), Clone: [HK5.3-CP044], Mouse, Monoclonal |
| Artikelnummer            | BXC-CP044                                                                            |
| Hersteller Artikelnummer | CP044                                                                                |
| Alternativnummer         | BXC-CP044-1MG,BXC-CP044-5MG,BXC-CP044-25MG                                           |
| Hersteller               | Bio X Cell                                                                           |
| Wirt                     | Mouse                                                                                |
| Kategorie                | Antikörper                                                                           |
| Immunogen                | Mouse B7-RP1 transfected cell line                                                   |
| Klonalität               | Monoclonal                                                                           |
| Konzentration            | Lot specific,typically between 4-11 mg/ml                                            |
| Klon-Bezeichnung         | [HK5.3-CP044]                                                                        |
| Molekulargewicht         | 150 kDa                                                                              |
| Puffer                   | PBS, pH 7.0, Contains no stabilizers or preservatives                                |
| Reinheit                 | 95% , Determined by SDS-PAGE                                                         |
| Formulierung             | Liquid                                                                               |
| Formel                   | PBS, pH 7.0, Contains no stabilizers or preservatives                                |
| Target-Kategorie         | ICOSL                                                                                |

|                        |                                                                                    |
|------------------------|------------------------------------------------------------------------------------|
| Anwendungsbeschreibung | in vivo ICOSL neutralization*, *Reported for the original rat IgG2a HK5.3 antibody |
