## Product Datasheet

### InVivoMAb anti-human/mouse GRP78, Clone: [C38], Mouse, Monoclonal BXC-BE0396-INDUSTRIAL

|                          |                                                                                      |
|--------------------------|--------------------------------------------------------------------------------------|
| Artikelname              | InVivoMAb anti-human/mouse GRP78, Clone: [C38], Mouse, Monoclonal                    |
| Artikelnummer            | BXC-BE0396-INDUSTRIAL                                                                |
| Hersteller Artikelnummer | BE0396                                                                               |
| Alternativnummer         | BXC-BE0396-1MG,BXC-BE0396-5MG,BXC-BE0396-25MG,BXC-BE0396-50MG,BXC-BE0396-100MG       |
| Hersteller               | Bio X Cell                                                                           |
| Wirt                     | Mouse                                                                                |
| Kategorie                | Antikörper                                                                           |
| Spezies Reaktivität      | Human, Mouse                                                                         |
| Immunogen                | Full-length recombinant murine GRP78 protein                                         |
| Klonalität               | Monoclonal                                                                           |
| Konzentration            | Lot specific,typically between 4-11 mg/ml                                            |
| Klon-Bezeichnung         | [C38]                                                                                |
| Molekulargewicht         | 150 kDa                                                                              |
| Pubmed                   | <a href=https://pubmed.ncbi.nlm.nih.gov/31358620 target=_blank rel=nofollow>31358620 |
| Puffer                   | PBS, pH 7.0, Contains no stabilizers or preservatives                                |
| Reinheit                 | 95% , Determined by SDS-PAGE                                                         |

|                        |                                                                                  |
|------------------------|----------------------------------------------------------------------------------|
| Formulierung           | Liquid                                                                           |
| Formel                 | PBS, pH 7.0, Contains no stabilizers or preservatives                            |
| Target-Kategorie       | GRP78                                                                            |
| Anwendungsbeschreibung | in vivo GRP78 blockade, in vitro GRP78 blockade, Western blot, Flow cytometry, , |
