## Product Datasheet

### **RecombiMAb anti-mouse CD16/CD32 (LALA-PG), Clone: [2.4G2-CP026], Mouse, Recombinant BXC-CP026-INDUSTRIAL**

|                          |                                                                                     |
|--------------------------|-------------------------------------------------------------------------------------|
| Artikelname              | RecombiMAb anti-mouse CD16/CD32 (LALA-PG), Clone: [2.4G2-CP026], Mouse, Recombinant |
| Artikelnummer            | BXC-CP026-INDUSTRIAL                                                                |
| Hersteller Artikelnummer | CP026                                                                               |
| Alternativnummer         | BXC-CP026-1MG,BXC-CP026-5MG,BXC-CP026-25MG                                          |
| Hersteller               | Bio X Cell                                                                          |
| Wirt                     | Mouse                                                                               |
| Kategorie                | Antikörper                                                                          |
| Immunogen                | BALB/c mouse macrophage cell line J774                                              |
| Klonalität               | Recombinant                                                                         |
| Konzentration            | Lot specific,typically between 4-11 mg/ml                                           |
| Klon-Bezeichnung         | [2.4G2-CP026]                                                                       |
| Molekulargewicht         | 150 kDa                                                                             |
| Reinheit                 | 95% , Determined by SDS-PAGE                                                        |
| Formel                   | PBS, pH 7.0, Contains no stabilizers or preservatives                               |
| Target-Kategorie         | CD16/CD32                                                                           |

|                        |                                                                                                                                                                      |
|------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Anwendungsbeschreibung | in vivo Fc receptor blocking*, Fc receptor blocking, flow cytometry*, Fc receptor blocking, immunofluorescence*, *Reported for the original rat IgG2b 2.4G2 antibody |
