| Hersteller               | RayBiotech                                                                                                                                                                                                                             |
| Kategorie                | Antikörper                                                                                                                                                                                                                             |
| Spezies Reaktivität      | Human                                                                                                                                                                                                                                  |
| Immunogen                | Immunogen was synthetic peptide derived from human ERBB2. This antibody was obtained from a rabbit immunized with the immunogen. The IgG fraction of immunized serum was purified by affinity chromatography.                          |
| Produktbeschreibung      | Rabbit Anti-Human ErbB2/HER2 Antibody...                                                                                                                                                                                               |
| Klonalität               | Polyclonal                                                                                                                                                                                                                             |
| UniProt                  | NP_004439                                                                                                                                                                                                                              |
| Sequenz                  | CDETEY(P)HADGGK                                                                                                                                                                                                                        |
| Anwendungsbeschreibung   | ELISA (recommended work dilution= 1:1000-5000), Western Blotting( recommended work dilution= 2-10 µg/ml), Note: Other applications are not tested yet. Optimal dilutions should be determined by each laboratory for each application. |
