| Hersteller               | RayBiotech                                                                                                                                                                                                                                                                     |
| Kategorie                | Antikörper                                                                                                                                                                                                                                                                     |
| Spezies Reaktivität      | Human                                                                                                                                                                                                                                                                          |
| Immunogen                | Immunogen was synthetic peptide derived from Human Neuropeptide Y. This antibody was produced from a rabbit immunized with the immunogen. The IgG fraction was purified from rabbitt serum by ammonium sulphate precipitation followed by Protein A/G affinity chromatography. |
| Produktbeschreibung      | Rabbit Anti-Human NPY Antibody...                                                                                                                                                                                                                                              |
| Klonalität               | Polyclonal                                                                                                                                                                                                                                                                     |
| UniProt                  | NM_000905                                                                                                                                                                                                                                                                      |
| Anwendungsbeschreibung   | ELISA (recommended work dilution= 1:10e5), Western Blotting (recommended work dilution= 1:1000-2000(at least)), Enzyme Immunoassay (EIA)(recommended work dilution= See more in cat EIA-NPY-1)                                                                                 |
