## Product Datasheet

### Anti-NME6 Antibody , Unconjugated, Rabbit, Polyclonal ATA-HPA017909

|                          |                                                                             |
|--------------------------|-----------------------------------------------------------------------------|
| Artikelname              | Anti-NME6 Antibody , Unconjugated, Rabbit, Polyclonal                       |
| Artikelnummer            | ATA-HPA017909                                                               |
| Hersteller Artikelnummer | HPA017909                                                                   |
| Alternativnummer         | ATA-HPA017909-100,ATA-HPA017909-25                                          |
| Hersteller               | Atlas Antibodies                                                            |
| Wirt                     | Rabbit                                                                      |
| Kategorie                | Antikörper                                                                  |
| Applikation              | ICC, IHC                                                                    |
| Spezies Reaktivität      | Human                                                                       |
| Immunogen                | Recombinant Protein Epitope Signature Tag (PrEST) antigen sequence          |
| Konjugation              | Unconjugated                                                                |
| Klonalität               | Polyclonal                                                                  |
| NCBI                     | <a href="#">10201</a>                                                       |
| UniProt                  | <a href="#">O75414</a>                                                      |
| Puffer                   | 40% glycerol and PBS (pH 7.2). 0.02% sodium azide is added as preservative. |
| Reinheit                 | Affinity purified using the PrEST antigen as affinity ligand                |

|                  |                                                                                                       |
