| Alternativnummer         | CRM-TNFRSF17-238H-10, CRM-TNFRSF17-238H-50, CRM-TNFRSF17-238H-100                                                                                                                                                                 |
| Hersteller               | Creative BioMart                                                                                                                                                                                                                  |
| Wirt                     | Human                                                                                                                                                                                                                             |
| Kategorie                | Proteine/Peptide                                                                                                                                                                                                                  |
| Molekulargewicht         | Recombinant Human TNFRSF17 Protein has a calculated MW of 33.8 kDa. As a result of glycosylation, The protein migrates as 40-45 kDa under reducing (R) condition and 70-85 kDa under non-reducing (NR) condition on SDS-PAGE gel. |
| Tag                      | Avi&Fc                                                                                                                                                                                                                            |
| Quelle                   | Human                                                                                                                                                                                                                             |
| Reinheit                 | >95% as determined by SDS-PAGE.                                                                                                                                                                                                   |
| Anwendungsbeschreibung   | For Research Use Only. Not intended for any clinical use.                                                                                                                                                                         |
