| Spezies Reaktivität      | Human                                                                                                                                                                                                                                                                      |
| Konjugation              | GFP                                                                                                                                                                                                                                                                        |
| Produktbeschreibung      | Endothelin Receptor B (EDNRB) is a type of G protein coupled Receptor with the Nterminus located outside the cell. Its widespread in the human body. EDNRB binds to ET and transmits information into the cell through the intracellular Ca <sup>2+</sup> phospholipidd... |
| Tag                      | GFP Tag                                                                                                                                                                                                                                                                    |
| NCBI                     | <a href="#">24530</a>                                                                                                                                                                                                                                                      |
| Puffer                   | PBS, Arginine, pH7.4                                                                                                                                                                                                                                                       |
| Formulierung             | Liquid                                                                                                                                                                                                                                                                     |
| Target-Kategorie         | EDNRB                                                                                                                                                                                                                                                                      |
