| Hersteller Artikelnummer | CD1-H5224-1mg                                                                                                                                                                                                                                                 |
| Alternativnummer         | ABS-CD1-H5224-1MG                                                                                                                                                                                                                                             |
| Hersteller               | AcroBiosystems                                                                                                                                                                                                                                                |
| Wirt                     | Human                                                                                                                                                                                                                                                         |
| Kategorie                | Proteine/Peptide                                                                                                                                                                                                                                              |
| Spezies Reaktivität      | Human                                                                                                                                                                                                                                                         |
| Konjugation              | Unconjugated                                                                                                                                                                                                                                                  |
| Produktbeschreibung      | Cluster of Differentiation 31 (CD31) is also known as Platelet endothelial cell adhesion molecule (PECAM1), is a 130kDa transmembrane glycoprotein expressed by endothelial cells, platelets, macrophages and Kupffer cells, granulocytes, T / NK cells, I... |
| Molekulargewicht         | 66.4 kDa                                                                                                                                                                                                                                                      |
| Tag                      | C-10*His                                                                                                                                                                                                                                                      |
| NCBI                     | <a href="#">16284</a>                                                                                                                                                                                                                                         |
| Puffer                   | 50 mM Tris, 150 mM NaCl, pH7.5                                                                                                                                                                                                                                |
| Reinheit                 | 95%                                                                                                                                                                                                                                                           |
