## Product Datasheet

**Anti-Glycoprotein E (VZV) Antibody, Human IgG1 (1B10) (MALS verified),  
Unconjugated  
ABS-VZV-M544-1MG**

|                          |                                                                                                                                                                                                                                                               |
