## Product Datasheet

### **Calpain 3 antibody [Calp3c/12A2], IgG2a, Unconjugated, Mouse, Monoclonal GTX01970**

|                          |                                                                                   |
|--------------------------|-----------------------------------------------------------------------------------|
| Artikelname              | Calpain 3 antibody [Calp3c/12A2], IgG2a, Unconjugated, Mouse, Monoclonal          |
| Artikelnummer            | GTX01970                                                                          |
| Hersteller Artikelnummer | GTX01970                                                                          |
| Alternativnummer         | GTX01970-500                                                                      |
| Hersteller               | GeneTex                                                                           |
| Wirt                     | Mouse                                                                             |
| Kategorie                | Antikörper                                                                        |
| Applikation              | WB                                                                                |
| Spezies Reaktivität      | Canine, Gallus, Hamster, Human, Mouse, Porcine, Rabbit, Rat                       |
| Immunogen                | Synthetic peptide containing amino acids 355-370 of the human calpain 3 sequence. |
| Konjugation              | Unconjugated                                                                      |
| Klonalität               | Monoclonal                                                                        |
| Klon-Bezeichnung         | [Calp3c/12A2]                                                                     |
| Molekulargewicht         | 94                                                                                |
| Isotyp                   | IgG2a                                                                             |

|                        |                                                                                                                        |
|------------------------|------------------------------------------------------------------------------------------------------------------------|
| Sensitivitaet          | This antibody reacts with full-size calpain 3 (94 kD) plus an additional breakdown product at 60 kD.                   |
| NCBI                   | <a href="#">825</a>                                                                                                    |
| UniProt                | <a href="#">P20807</a>                                                                                                 |
| Puffer                 | Tissue culture supernatant, 0.09% Sodium azide.                                                                        |
| Formulierung           | Liquid                                                                                                                 |
| Anwendungsbeschreibung | WB: 1:100. *Optimal dilutions/concentrations should be determined by the researcher. Not tested in other applications. |
