## Product Datasheet

### SLC47A1 antibody, Unconjugated, Rabbit, Polyclonal GTX03645

|                          |                                                                                                                                      |
|--------------------------|--------------------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | SLC47A1 antibody, Unconjugated, Rabbit, Polyclonal                                                                                   |
| Artikelnummer            | GTX03645                                                                                                                             |
| Hersteller Artikelnummer | GTX03645                                                                                                                             |
| Alternativnummer         | GTX03645-50                                                                                                                          |
| Hersteller               | GeneTex                                                                                                                              |
| Wirt                     | Rabbit                                                                                                                               |
| Kategorie                | Antikörper                                                                                                                           |
| Applikation              | WB                                                                                                                                   |
| Spezies Reaktivität      | Mouse, Rat                                                                                                                           |
| Immunogen                | Peptide (C)ESHGEIMMTDLEKK, corresponding to amino acid residues 496-509 of mouse SLC47A1 (Accession Q8K0H1, 5th intracellular loop). |
| Konjugation              | Unconjugated                                                                                                                         |
| Klonalität               | Polyclonal                                                                                                                           |
| Konzentration            | 0.8 mg/ml (Please refer to the vial label for the specific concentration.)                                                           |
| Molekulargewicht         | 62                                                                                                                                   |
| Sensitivitaet            | We do not recommend use of this product for Human.                                                                                   |
| NCBI                     | <a href="#">67473</a>                                                                                                                |

|                        |                                                                                                                               |
|------------------------|-------------------------------------------------------------------------------------------------------------------------------|
| UniProt                | <a href="#">Q8K0H1</a>                                                                                                        |
| Puffer                 | PBS, 1% BSA, 0.05% sodium azide.                                                                                              |
| Formulierung           | Liquid                                                                                                                        |
| Anwendungsbeschreibung | WB: 1:200-1:1000. *Optimal dilutions/concentrations should be determined by the researcher. Not tested in other applications. |
