| Alternativnummer         | GTX03669-100                                                                                                                                                                              |
| Hersteller               | GeneTex                                                                                                                                                                                   |
| Wirt                     | Mouse                                                                                                                                                                                     |
| Kategorie                | Antikörper                                                                                                                                                                                |
| Applikation              | FC, ICC, IHC-P, WB                                                                                                                                                                        |
| Spezies Reaktivität      | Human, Mouse, Rat                                                                                                                                                                         |
| Immunogen                | A synthetic peptide corresponding to a sequence at the C-terminus of human Rab11A (171-211aa EIYRIVSQKQMSDRRENDMSPSNNVPIHVPPTTENKPKVQ), identical to the related mouse and rat sequences. |
| Konjugation              | Unconjugated                                                                                                                                                                              |
| Klonalität               | Monoclonal                                                                                                                                                                                |
| Konzentration            | 0.5 mg/ml (Please refer to the vial label for the specific concentration.)                                                                                                                |
| Klon-Bezeichnung         | [4H9]                                                                                                                                                                                     |
| Molekulargewicht         | 24                                                                                                                                                                                        |

|                        |                                                                                                                                                                                                         |
|------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Isotyp                 | IgG2b                                                                                                                                                                                                   |
| NCBI                   | <a href="#">8766</a>                                                                                                                                                                                    |
| UniProt                | <a href="#">P62491</a>                                                                                                                                                                                  |
| Puffer                 | 4mg Trehalose, 0.9mg NaCl, 0.2mg Na2HPO4, no preservatives.                                                                                                                                             |
| Formulierung           | Liquid                                                                                                                                                                                                  |
| Anwendungsbeschreibung | WB: 0.25-0.5 µg/ml. ICC/IF: 5 µg/ml. IHC-P: 2-5 µg/ml. FCM: 1-3 µg/1x10 <sup>6</sup> cells. *Optimal dilutions/concentrations should be determined by the researcher. Not tested in other applications. |
