| Artikelname              | Rabbit Anti-Sheep IgG antibody, F(ab)2 fragment, pre-adsorbed, Unconjugated, Polyclonal                                                             |
| Artikelnummer            | GTX04157                                                                                                                                            |
| Hersteller Artikelnummer | GTX04157                                                                                                                                            |
| Alternativnummer         | GTX04157-500                                                                                                                                        |
| Hersteller               | GeneTex                                                                                                                                             |
| Wirt                     | Rabbit                                                                                                                                              |
| Kategorie                | Antikörper                                                                                                                                          |
| Applikation              | ELISA, WB                                                                                                                                           |
| Spezies Reaktivität      | Sheep                                                                                                                                               |
| Immunogen                | Pepsin digest of Rabbit Anti-Sheep IgG(H+L).                                                                                                        |
| Konjugation              | Unconjugated                                                                                                                                        |
| Klonalität               | Polyclonal                                                                                                                                          |
| Konzentration            | 0.5 mg/ml (Please refer to the vial label for the specific concentration.)                                                                          |
| Sensitivitaet            | Pre-adsorbed with Human serum proteins (SP). May react with immunoglobulins from other species and the light chains of other sheep immunoglobulins. |
| Puffer                   | Borate buffered saline, no preservatives.                                                                                                           |

|                  |        |
|------------------|--------|
| Formulierung     | Liquid |
| Target-Kategorie | IgG    |
