## Product Datasheet

### **Apolipoprotein E antibody [C2C3], C-term, Unconjugated, Rabbit, Polyclonal GTX100053**

|                          |                                                                                                                                                                 |
|--------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | Apolipoprotein E antibody [C2C3], C-term, Unconjugated, Rabbit, Polyclonal                                                                                      |
| Artikelnummer            | GTX100053                                                                                                                                                       |
| Hersteller Artikelnummer | GTX100053                                                                                                                                                       |
| Alternativnummer         | GTX100053-25, GTX100053-100                                                                                                                                     |
| Hersteller               | GeneTex                                                                                                                                                         |
| Wirt                     | Rabbit                                                                                                                                                          |
| Kategorie                | Antikörper                                                                                                                                                      |
| Applikation              | ELISA, ICC, IHC-Fr, IHC-P, IP, WB                                                                                                                               |
| Spezies Reaktivität      | Human                                                                                                                                                           |
| Immunogen                | Carrier-protein conjugated synthetic peptide encompassing a sequence within the C-terminus region of human Apolipoprotein E. The exact sequence is proprietary. |
| Konjugation              | Unconjugated                                                                                                                                                    |
| Klonalität               | Polyclonal                                                                                                                                                      |
| Konzentration            | 0.66 mg/ml (Please refer to the vial label for the specific concentration.)                                                                                     |
| Molekulargewicht         | 36                                                                                                                                                              |
| NCBI                     | <a href="#">348</a>                                                                                                                                             |

|                        |                                                                                                                                                                                                                   |
|------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| UniProt                | <a href="#">P02649</a>                                                                                                                                                                                            |
| Puffer                 | PBS, 20% Glycerol, 0.025% ProClin 300.                                                                                                                                                                            |
| Formulierung           | Liquid                                                                                                                                                                                                            |
| Anwendungsbeschreibung | WB: 1:500-1:20000. ICC/IF: 1:100-1:1000. IHC-P: 1:100-1:1000. IP: 1:100-1:500. ELISA: 1:1000-1:10000. *Optimal dilutions/concentrations should be determined by the researcher. Not tested in other applications. |
