## Product Datasheet

### Aladin antibody [N2C2], Internal, Unconjugated, Rabbit, Polyclonal GTX100475

|                          |                                                                                                                          |
|--------------------------|--------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | Aladin antibody [N2C2], Internal, Unconjugated, Rabbit, Polyclonal                                                       |
| Artikelnummer            | GTX100475                                                                                                                |
| Hersteller Artikelnummer | GTX100475                                                                                                                |
| Alternativnummer         | GTX100475-25, GTX100475-100                                                                                              |
| Hersteller               | GeneTex                                                                                                                  |
| Wirt                     | Rabbit                                                                                                                   |
| Kategorie                | Antikörper                                                                                                               |
| Applikation              | ICC, IHC-P, WB                                                                                                           |
| Spezies Reaktivität      | Human                                                                                                                    |
| Immunogen                | Recombinant protein encompassing a sequence within the center region of human Aladin. The exact sequence is proprietary. |
| Konjugation              | Unconjugated                                                                                                             |
| Klonalität               | Polyclonal                                                                                                               |
| Konzentration            | 1 mg/ml (Please refer to the vial label for the specific concentration.)                                                 |
| Molekulargewicht         | 60                                                                                                                       |
| NCBI                     | <a href="#">8086</a>                                                                                                     |
| UniProt                  | <a href="#">Q9NRG9</a>                                                                                                   |
| Puffer                   | PBS, 1% BSA, 20% Glycerol, 0.01% Thimerosal.                                                                             |

|                        |                                                                                                                                                                             |
|------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Formulierung           | Liquid                                                                                                                                                                      |
| Anwendungsbeschreibung | WB: 1:500-1:3000. ICC/IF: 1:100-1:1000. IHC-P: 1:100-1:1000.<br>*Optimal dilutions/concentrations should be determined by the researcher. Not tested in other applications. |
