## Product Datasheet

### Nanog antibody [N3C3], Unconjugated, Rabbit, Polyclonal GTX100863

|                          |                                                                                                                         |
|--------------------------|-------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | Nanog antibody [N3C3], Unconjugated, Rabbit, Polyclonal                                                                 |
| Artikelnummer            | GTX100863                                                                                                               |
| Hersteller Artikelnummer | GTX100863                                                                                                               |
| Alternativnummer         | GTX100863-25, GTX100863-100                                                                                             |
| Hersteller               | GeneTex                                                                                                                 |
| Wirt                     | Rabbit                                                                                                                  |
| Kategorie                | Antikörper                                                                                                              |
| Applikation              | ELISA, ICC, IHC-Fr, IHC-P, IP, WB                                                                                       |
| Spezies Reaktivität      | Human, Mouse, Rhinoceros                                                                                                |
| Immunogen                | Recombinant protein encompassing a sequence within the center region of human NANOG. The exact sequence is proprietary. |
| Konjugation              | Unconjugated                                                                                                            |
| Klonalität               | Polyclonal                                                                                                              |
| Konzentration            | 0.5 mg/ml (Please refer to the vial label for the specific concentration.)                                              |
| Molekulargewicht         | 35                                                                                                                      |
| NCBI                     | <a href="#">79923</a>                                                                                                   |
| UniProt                  | <a href="#">Q9H9S0</a>                                                                                                  |
| Puffer                   | PBS, 1% BSA, 20% Glycerol, 0.01% Thimerosal.                                                                            |

|                        |                                                                                                                                                                                             |
|------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Formulierung           | Liquid                                                                                                                                                                                      |
| Anwendungsbeschreibung | WB: 1:500-1:3000. ICC/IF: 1:100-1:1000. IP: 1:100-1:500. ELISA: 1:1000-1:10000. *Optimal dilutions/concentrations should be determined by the researcher. Not tested in other applications. |
