## Product Datasheet

### Lactoferrin antibody [2B8], IgG1, Unconjugated, Mouse, Monoclonal GTX10110

|                          |                                                                                  |
|--------------------------|----------------------------------------------------------------------------------|
| Artikelname              | Lactoferrin antibody [2B8], IgG1, Unconjugated, Mouse, Monoclonal                |
| Artikelnummer            | GTX10110                                                                         |
| Hersteller Artikelnummer | GTX10110                                                                         |
| Alternativnummer         | GTX10110-100                                                                     |
| Hersteller               | GeneTex                                                                          |
| Wirt                     | Mouse                                                                            |
| Kategorie                | Antikörper                                                                       |
| Applikation              | ELISA, WB                                                                        |
| Spezies Reaktivität      | Human                                                                            |
| Immunogen                | Purified lactoferrin from human milk.                                            |
| Konjugation              | Unconjugated                                                                     |
| Klonalität               | Monoclonal                                                                       |
| Konzentration            | Batch dependent (Please refer to the vial label for the specific concentration.) |
| Klon-Bezeichnung         | [2B8]                                                                            |
| Molekulargewicht         | 78                                                                               |
| Isotyp                   | IgG1                                                                             |
| Sensitivitaet            | Weakly cross-reacts with transferrin.                                            |

|                        |                                                                                                             |
|------------------------|-------------------------------------------------------------------------------------------------------------|
| NCBI                   | <a href="#">4057</a>                                                                                        |
| UniProt                | <a href="#">P02788</a>                                                                                      |
| Puffer                 | PBS, 0.09% Sodium azide.                                                                                    |
| Formulierung           | Liquid                                                                                                      |
| Anwendungsbeschreibung | *Optimal dilutions/concentrations should be determined by the researcher. Not tested in other applications. |
