## Product Datasheet

### MEF2A antibody [C2C3], C-term, Unconjugated, Rabbit, Polyclonal GTX101286

|                          |                                                                                                                             |
|--------------------------|-----------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | MEF2A antibody [C2C3], C-term, Unconjugated, Rabbit, Polyclonal                                                             |
| Artikelnummer            | GTX101286                                                                                                                   |
| Hersteller Artikelnummer | GTX101286                                                                                                                   |
| Alternativnummer         | GTX101286-25, GTX101286-100                                                                                                 |
| Hersteller               | GeneTex                                                                                                                     |
| Wirt                     | Rabbit                                                                                                                      |
| Kategorie                | Antikörper                                                                                                                  |
| Applikation              | ICC, IHC-P, WB                                                                                                              |
| Spezies Reaktivität      | Human, Mouse, Rat                                                                                                           |
| Immunogen                | Recombinant protein encompassing a sequence within the C-terminus region of human MEF2A. The exact sequence is proprietary. |
| Konjugation              | Unconjugated                                                                                                                |
| Klonalität               | Polyclonal                                                                                                                  |
| Konzentration            | 1 mg/ml (Please refer to the vial label for the specific concentration.)                                                    |
| Molekulargewicht         | 55                                                                                                                          |
| NCBI                     | <a href="#">4205</a>                                                                                                        |
| UniProt                  | <a href="#">Q02078</a>                                                                                                      |
| Puffer                   | 0.1M Tris, 0.1M Glycine, 10% Glycerol, 0.01% Thimerosal.                                                                    |

|                        |                                                                                                                                                                                        |
|------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Formulierung           | Liquid                                                                                                                                                                                 |
| Anwendungsbeschreibung | <p>WB: 1:500-1:3000. ICC/IF: 1:100-1:1000. IHC-P: 1:100-1:1000.</p> <p>*Optimal dilutions/concentrations should be determined by the researcher. Not tested in other applications.</p> |
