## Product Datasheet

### beta 2 Microglobulin antibody [N1C3], Unconjugated, Rabbit, Polyclonal GTX101314

|                          |                                                                                                                                        |
|--------------------------|----------------------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | beta 2 Microglobulin antibody [N1C3], Unconjugated, Rabbit, Polyclonal                                                                 |
| Artikelnummer            | GTX101314                                                                                                                              |
| Hersteller Artikelnummer | GTX101314                                                                                                                              |
| Alternativnummer         | GTX101314-100, GTX101314-25                                                                                                            |
| Hersteller               | GeneTex                                                                                                                                |
| Wirt                     | Rabbit                                                                                                                                 |
| Kategorie                | Antikörper                                                                                                                             |
| Applikation              | WB                                                                                                                                     |
| Spezies Reaktivität      | Human, Rat                                                                                                                             |
| Immunogen                | Recombinant protein encompassing a sequence within the center region of human beta 2 Microglobulin. The exact sequence is proprietary. |
| Konjugation              | Unconjugated                                                                                                                           |
| Klonalität               | Polyclonal                                                                                                                             |
| Konzentration            | 0.41 mg/ml (Please refer to the vial label for the specific concentration.)                                                            |
| Molekulargewicht         | 14                                                                                                                                     |
| NCBI                     | <a href="#">567</a>                                                                                                                    |

|                        |                                                                                                                               |
|------------------------|-------------------------------------------------------------------------------------------------------------------------------|
| UniProt                | <a href="#">P61769</a>                                                                                                        |
| Puffer                 | PBS, 10% Glycerol, 0.01% Thimerosal.                                                                                          |
| Formulierung           | Liquid                                                                                                                        |
| Anwendungsbeschreibung | WB: 1:500-1:3000. *Optimal dilutions/concentrations should be determined by the researcher. Not tested in other applications. |
