## Product Datasheet

### HGS antibody [C2C3], C-term, Unconjugated, Rabbit, Polyclonal GTX101718

|                          |                                                                                                                           |
|--------------------------|---------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | HGS antibody [C2C3], C-term, Unconjugated, Rabbit, Polyclonal                                                             |
| Artikelnummer            | GTX101718                                                                                                                 |
| Hersteller Artikelnummer | GTX101718                                                                                                                 |
| Alternativnummer         | GTX101718-100, GTX101718-25                                                                                               |
| Hersteller               | GeneTex                                                                                                                   |
| Wirt                     | Rabbit                                                                                                                    |
| Kategorie                | Antikörper                                                                                                                |
| Applikation              | ICC, IHC-P, WB                                                                                                            |
| Spezies Reaktivität      | Human, Mouse, Rat                                                                                                         |
| Immunogen                | Recombinant protein encompassing a sequence within the C-terminus region of human HGS. The exact sequence is proprietary. |
| Konjugation              | Unconjugated                                                                                                              |
| Klonalität               | Polyclonal                                                                                                                |
| Konzentration            | 1 mg/ml (Please refer to the vial label for the specific concentration.)                                                  |
| Molekulargewicht         | 86                                                                                                                        |
| NCBI                     | <a href="#">9146</a>                                                                                                      |
| UniProt                  | <a href="#">O14964</a>                                                                                                    |
| Puffer                   | 0.1M Tris, 0.1M Glycine, 10% Glycerol, 0.01% Thimerosal.                                                                  |

|                        |                                                                                                                                                                                          |
|------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Formulierung           | Liquid                                                                                                                                                                                   |
| Anwendungsbeschreibung | <p>WB: 1:1000-1:10000. ICC/IF: 1:100-1:1000. IHC-P: 1:100-1:1000.</p> <p>*Optimal dilutions/concentrations should be determined by the researcher. Not tested in other applications.</p> |
