## Product Datasheet

### hnRNP A1 antibody, Unconjugated, Rabbit, Polyclonal GTX106208

|                          |                                                                                                                            |
|--------------------------|----------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | hnRNP A1 antibody, Unconjugated, Rabbit, Polyclonal                                                                        |
| Artikelnummer            | GTX106208                                                                                                                  |
| Hersteller Artikelnummer | GTX106208                                                                                                                  |
| Alternativnummer         | GTX106208-25, GTX106208-100                                                                                                |
| Hersteller               | GeneTex                                                                                                                    |
| Wirt                     | Rabbit                                                                                                                     |
| Kategorie                | Antikörper                                                                                                                 |
| Applikation              | ICC, IHC-P, WB                                                                                                             |
| Spezies Reaktivität      | Human, Mouse, Rat                                                                                                          |
| Immunogen                | Recombinant protein encompassing a sequence within the center region of human hnRNP A1. The exact sequence is proprietary. |
| Konjugation              | Unconjugated                                                                                                               |
| Klonalität               | Polyclonal                                                                                                                 |
| Konzentration            | 0.46 mg/ml (Please refer to the vial label for the specific concentration.)                                                |
| Molekulargewicht         | 39                                                                                                                         |
| NCBI                     | <a href="#">3178</a>                                                                                                       |
| UniProt                  | <a href="#">P09651</a>                                                                                                     |
| Puffer                   | 0.1M Tris, 0.1M Glycine, 10% Glycerol, 0.01% Thimerosal.                                                                   |

|                        |                                                                                                                                                                             |
|------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Formulierung           | Liquid                                                                                                                                                                      |
| Anwendungsbeschreibung | WB: 1:500-1:3000. ICC/IF: 1:100-1:1000. IHC-P: 1:100-1:1000.<br>*Optimal dilutions/concentrations should be determined by the researcher. Not tested in other applications. |
