## Product Datasheet

### **FLI1 antibody, N-term, Unconjugated, Rabbit, Polyclonal GTX81877**

|                          |                                                                                                      |
|--------------------------|------------------------------------------------------------------------------------------------------|
| Artikelname              | FLI1 antibody, N-term, Unconjugated, Rabbit, Polyclonal                                              |
| Artikelnummer            | GTX81877                                                                                             |
| Hersteller Artikelnummer | GTX81877                                                                                             |
| Alternativnummer         | GTX81877-400                                                                                         |
| Hersteller               | GeneTex                                                                                              |
| Wirt                     | Rabbit                                                                                               |
| Kategorie                | Antikörper                                                                                           |
| Applikation              | IHC-P, WB                                                                                            |
| Spezies Reaktivität      | Human                                                                                                |
| Immunogen                | KLH conjugated synthetic peptide between 52-80 amino acids from the N-terminal region of human FLI1. |
| Konjugation              | Unconjugated                                                                                         |
| Klonalität               | Polyclonal                                                                                           |
| Konzentration            | Batch dependent (Please refer to the vial label for the specific concentration.)                     |
| Molekulargewicht         | 51                                                                                                   |
| NCBI                     | <a href="#">2313</a>                                                                                 |
| UniProt                  | <a href="#">Q01543</a>                                                                               |
| Puffer                   | PBS, 0.09% Sodium azide.                                                                             |

|                        |                                                                                                                                            |
|------------------------|--------------------------------------------------------------------------------------------------------------------------------------------|
| Formulierung           | Liquid                                                                                                                                     |
| Anwendungsbeschreibung | WB: 1:1000. IHC-P: 1:50-1:100. *Optimal dilutions/concentrations should be determined by the researcher. Not tested in other applications. |
